Garden Maintenance

Our garden maintenance services ensure your outdoor space remains beautiful year-round. We provide:

Lawn Care: Mowing, fertilizing, aerating, and sod replacement.

Pruning and Trimming: Regular trimming of plants, trees, and shrubs to maintain an attractive appearance.

Pest and Weed Control: Eco-friendly treatments to protect your garden from pests and invasive weeds.

Seasonal Planting and Mulching: Preparation of your garden for seasonal changes with suitable plants.

Irrigation System Maintenance: Regular checks and repairs to ensure efficiency and prevent water waste.

Pool Maintenance

We offer comprehensive pool maintenance services to keep your pool clean, safe, and inviting:

Regular Pool Cleaning: Skimming, vacuuming, and brushing the pool to keep it pristine.

Water Chemistry Balancing: Ensuring the proper pH and chlorine levels for safe swimming.

Filter and Pump Inspection: Ensuring the efficient operation of filters and pumps.

Repairs and Upgrades: Repairing pumps and upgrading pool systems for efficiency.

Algae and Stain Removal: Treating algae growth and removing unsightly stains.

Irrigation Systems

Our customized irrigation systems ensure your landscape remains green and healthy without water waste. We offer:

Design and Installation: Irrigation systems tailored to your landscape, including drip irrigation and sprinklers.

Water Conservation Solutions: Water-efficient systems that reduce consumption and costs.

Drip Irrigation: Ideal for flower beds and trees, delivering water directly to the roots.

Sprinkler Systems: Automatic sprinklers for large lawns, ensuring even water distribution.

Maintenance and Repair: Regular inspection and repair of irrigation systems.

Grouting Services

Our professional grouting services maintain and enhance the look of outdoor surfaces:

Stone and Tile Grouting: Professional grouting for patios, pathways, and pool tiles.

Repair and Sealing: Fixing damaged grout lines and resealing surfaces to protect from water damage.

Decorative Grouting: Unique designs for patios and walkways using decorative grouting techniques.

Waterproof Grouting: Ensuring outdoor tiles and stones are protected from moisture.
